Number:

**GRANT APPLICATION
Alumni Fund**

Typewritten format accepted only!

IMPORTANT DATES / REMINDER of ATTENTION

2st round 2018

Deadline for submission September 15, 2018

Your research/project cannot take place before **October 15, 2018**

GRANT APPLICATION

Name applicant

Department applicant

Date start

research/project

Brief description of the

research/project

Requested grant amount

CONDITIONS

Describe the direct societal impact of the research/project

Describe if (and if so how) the research/project will cultivate entrepreneurship

Does the Faculty/School/Department support the research/project with a financial contribution?

If so, how much?

I have submitted a grant application for this activity to other foundations/funding agencies.

If so, what was their decision? (If a decision has not yet been made, when do you expect a response?)

Describe the relevant IP aspects of the research and valorisation

PERSONAL INFORMATION

Name

Position

Faculty/department

E-mail

Mail address

ATTACHMENTS

Description of the research/project

Please attach a description of the project (max. 2 A4 pages) and include all information you believe to be relevant to assess this application. We suggest you use the terms and conditions mentioned on our website as a guideline for writing the description. A clear timetable of the duration of the project and the steps towards valorisation needs to be included with the description.

Letter/expression of support dean/scientific director School
